### Letter dated 3 October 2022 from the Permanent Representative of the Islamic Republic of Iran to the United Nations addressed to the President of the Security Council

I am writing in response to the unsubstantiated and unwarranted reference made to my country by the Permanent Representative of the Republic of Albania to the United Nations in his statement at the Security Council meeting held on 28 September 2022 in connection with the item entitled “The situation in the Middle East, including the Palestinian question”, wherein the Republic of Albania Representative levelled unfounded allegations against the Islamic Republic of Iran, which are hereby categorically rejected.

As stated in the letter dated 10 September 2022 addressed to the Secretary-General and the President of the Security Council ([S/2022/685](#)), the Islamic Republic of Iran has categorically denied any involvement in the alleged cyberattack on Albania’s infrastructure.

I should be grateful if you would have the present letter circulated as a document of the Security Council.

Ambassador  
Permanent Representative
