No. 2852863

26 March 2026

Excellency,

Upon instructions from my Government, and pursuant to my letters dated 3, 7 and 16 March 2026 (S/2026/121, S/2026/139 and S/2026/189), I wish to inform Your Excellency and the members of the Security Council of the following:

Based on monitoring and assessments conducted by the Armed Forces of the Islamic Republic of Iran, it has been ascertained that the aggressor, namely the United States, has continued to use the territory and airspace of the State of Kuwait for the planning, preparation, equipping and execution of unlawful military attacks against the Islamic Republic of Iran. One specific instance is as follows:

- At 17:41 on 17 March 2026, a United States MQ-9B drone, operating over the airspace of the State of Kuwait, provided intelligence support to fighter jets.

In view of the international responsibility of States arising from placing their territory at the disposal of others for the commission of acts of aggression and the conduct of armed attacks against the territory of a third State, the Islamic Republic of Iran expresses its strong and unequivocal objection to the aforementioned unlawful actions and strictly calls upon the Government of the State of Kuwait to observe the principles of good neighbourliness and to prevent the continued use of its territory against the Islamic Republic of Iran.

The Islamic Republic of Iran, while remaining committed to the principle of good neighbourliness and respect for the sovereignty of the State of Kuwait, reserves the right to take all necessary and appropriate measures, including the exercise of its inherent right of self-defence, in order to safeguard its sovereignty, territorial integrity and political independence.

I should be grateful if you would have the present letter circulated as an official document of the Security Council.

Please accept, Excellency, the assurances of my highest consideration.
